

Welcome to the start of Hickman Charter School Monday Classes for 2017-2018!

Some things to know ...

Parking and New Construction

- Due to construction delays, parking will be available for a few more weeks on the West side of campus. Once construction has begun, the West parking lot will be closed until construction is completed.
- The new PAVED parking lot that we share with Hickman Community Church has been completed. We urge families who cannot find parking in our West lot to use the church parking lot via the entrance on I St.
- There are walking entrances to our campus at the far South end of the new parking lot. Look for signs and staff stationed there to direct you on the first day.
- We ask that you avoid parking on the streets in respect for our neighbors.

Childcare

- Childcare is provided on a first-come, first-served basis ...
- From 8:45 AM until 12:30 PM ...
- With a limit of about 20 to 30 children ...
- For preschool age children who are “confident walkers” up to age 5 ...
- Bobbie Dillon is our Childcare Director and will be available to answer your questions.
- **Location: Hickman Community Church - Fellowship Hall.** See the above map and signs that day for the location of the church. Ask to park near the church to aid in locating the childcare facilities.

Schedule and Room Assignments

- See the attached schedule and campus map for times and rooms of our Monday classes.
