

Parent Information

(To be completed by *All* parents)

Parent's Name _____

Parent's phone number _____ Cell phone # _____

Parent's E-mail address _____

We need 10 parent leaders/chaperones. This might be an excellent opportunity for Dad to plan ahead to participate with the kids. **Adult leaders are the sergeants and will have specific responsibilities to man one of the afternoon rotation activities and to lead a squad.** We always have more than enough enthusiastic adult volunteers however, the number we are permitted (by the state park) is limited to 10 parents. In the event that we receive more than 10 parent applications, we will need to determine the parent chaperones based upon the needs of the students who were chosen in the lottery.

1. Would you like to be considered as a parent leader on the Angel Island field trip? **Yes / No**

Parent chaperones will need to attach a \$40 check. Checks will be returned if not selected.

Please be aware: there is a considerable amount of walking/hiking throughout the day and night. Students and parents are required to carry their own backpack with their overnight gear (over 1 mile hike). Parent leaders will be responsible for leading a squad and an activity station. There is no need to prepare for the activity ahead of time, instructions will be given upon arrival.

2. Name of parent leader _____

3. Cell phone # of the parent who would like to attend _____

All parents are responsible for transporting their children. Carpools are privately arranged by the parents. At our mandatory meeting on Oct. 10, we will allow time for parents to discuss transportation.

4. Are you willing to transport other students? Yes / No

5. Type of Vehicle: _____ Total number you can carry:

6. I have read the requirements and am willing to help my child be prepared for this environmental living experience.

Parent Signature: _____ Date: _____
