

## **Math Club: 6<sup>th</sup> – 8<sup>th</sup> Grades (January-March 2021)**

**Teachers:** Mr. Weichert, Mr. Meyer, and Mrs. Hansen

**Meeting Dates:** January 14, February 4, and March 11

**Meeting Time:** 12:30-2:00 PM

**Meeting Place:** Zoom

Math Club continues from January - March as one of our Virtual Class Offerings for 2020-2021. This is a class that focuses on pizza and some of the big ideas of mathematics in fun, interactive ways. However, going virtual means that it will have a little different flavor this year. We will be continuing our focus on fun interaction with big ideas, but are planning to add an artsy theme. Each meeting will include a project that will challenge students with mathematics and produce something creative and colorful. Note the start time of 12:30 PM which leaves students plenty of time to cook and eat some pizza for lunch prior to the meeting (with parent permission of course).

If you are interested in joining us for Math Club, please email one of the sponsors below and we will add you to the club.

**Mrs. Hansen** - ehansen@hickmanschools.org

**Mr. Meyer** - dmeyer@hickmanschools.org

**Mr. Weichert** - jweichert@hickmanschools.org
