How the Stars Came to Be, by Ray Gallant

River Song, Steve Van Zandt

The Empty Lot, Dale H. Fife

Once There Was a Tree, by Natalia Romanova

Series: Mysteries in Our National Parks by Gloria Skurzynski

Mysteries in Our National Parks books treat intermediate readers to the heart-pounding adventures of brother-and-sister sleuths, 12-year old Jack and 11-year-old Ashley Landon. Traveling with their mother, Olivia, a wildlife biologist, and their father, Steven, a nature photographer, the kids visit many of the country's magnificent National Parks where they always seem to stumble upon a puzzle that only they can solve. (taken from National Geo Website)

Titles in series order:

1. Wolf Stalker
2. Rage of Fire
3. Cliff-hanger
4. Deadly Waters
5. The Hunted
6. Ghost Hunters
7. Over the Edge
8. Valley of Death
